Del Mar came to your school (Westmont) today to play our field hockey game. We were surprised to see your football team in the stands, cheering on the JV girls. Our varsity girls went over and sat right in front of your football guys and though for a second they booed, they then got up and moved so that the girls were surrounded and started cheering for Westmont. For the whole rest of the game, our girls sat among your boys and each cheered for their teams, laughing with the other. It was SO NICE to see the two schools mix without incident and both have good sportsmanship! Please pass along my thanks to the football coaches for having a well-behaved team. I was impressed they supported their girls and were so nice to ours. We could use more of this kind of spirit not only within but among our schools!!!

Again thank you!
