FOOTBALL TIE BREAKER POLICIES

The ten-yard line tie breaker system recommended in the National Federation Football Rule Book will be used in all **BVAL League** and **CCS Playoff** contests. (12/2009)

RESOLVING TIED GAMES

An overtime period is untamed play after a regulation game has ended with the score tied. During an overtime period each team has an opportunity for an offensive series of downs. However, an overtime period may include only one offensive series of downs if the defensive team scores a safety or touchdown.

1. When the score is tied at the end of the fourth period, the referee will instruct both teams to return to their respective team boxes. There will be a three-minute intermission during which both teams may confer with their coaches. All officials will assemble at the 50-yard line, review the overtime procedure, determine the number of the second half time-outs remaining for each team, and discuss how penalties (if any) will be assessed to start the overtime procedure. At the end of the intermission, the linesman will go to the team on the side of the field where the line to gain equipment is located and the line judge will go to the other team. They will inform the coaches of the number of time-outs each team has remaining and any special penalty enforcement's that apply.
2. At the coin toss in the center of the field the visiting-team's captain shall be given the privilege of calling the coin while it is in the air. The winner of the toss shall be given his choice of defense or offense first, or of designating the end of the field at which the ball will be put in play for this set of downs. The loser will have his choice of the other options. The referee will indicate the winner of the toss by placing a hand on his shoulder. To indicate which team will go on offense, the referee will have that captain

face the goal toward which his team will advance and indicate this with the first-down signal. The other team captain will face the offensive captain with his back toward the goal he will defend.

3. Each team shall be permitted one additional time-out during each overtime period (a series for Team A and a series for Team B) plus any unused second-half regulation game time-outs. The team scoring the greater number of points in the overtime shall be declared the winner. The final score shall be determined by totaling all points scored by each team during both regulation time and overtime periods.

4. To start the overtime, the offensive team shall put the ball in play, first and goal, on the defensive team's 10-yard line (15-yard line for six-player football) anywhere between the in bounds lines. The first offensive team shall have a series of four downs. That series shall be terminated by any score by the offensive team or if the defensive team has possession of the ball.

If the team on offense scores a touchdown, it is entitled to the opportunity for a try unless the points would not affect the outcome of the game or playoff qualifying.

A field-goal attempt is permitted during any down.

If the defensive team gains possession, the ball becomes dead immediately and the offensive team's series of down is ended.

After the first team on offense has completed its series of downs, the first team on defense will become the offensive team with the ball in its possession at the same 10-yard line anywhere between the in bounds lines. The same end of the field will be used for possessions by both teams during the two sets of downs to ensure equal game conditions and conserve time.

If the score remains tied after each team has been given one series of downs in an overtime period, then the procedure shall be repeated with other overtime periods until a game winner is determined. In this case, there shall be an intermission of two minutes. At the subsequent meeting of teams captains, the loser of the overtime coin toss will be given first choice of the options. If additional overtime periods are required, then first options will be alternated with no coin toss.

5. If a safety is scored by the offensive team, the succeeding spot will be the 10-yard line in possession of the team that was on defense, provided the defensive team has not had its series of downs (the temporary overtime score is: Team A-2; Team B-0).

When the defensive team gains possession of the ball, the down and series immediately end for the offensive team.

6. The offensive team shall be awarded a new series of downs when any one of the following occurs:
 - a. Penalty for defensive pass interference is accepted.
 - b. Offensive team recovers a scrimmage kick (field-goal attempt) between the goal lines after it has been touched first by the defensive team beyond the neutral zone.
 - c. Defensive team is guilty of roughing the kicker, place-kicker, place-kick holder, snapper or passer.

6.1: The line to gain is always the goal line.

6.2: If the defensive team scores a safety or touchdown, the game is ended.

6-3: No try will be attempted if the winner of the game has been determined.

7.A **10-YARD LINE OVERTIME PROCEDURE INTERPRETATIONS**

Play: With the score B-14 and A-8, a pass from A1 is complete to A2 in B's end zone. During the down there is holding by B2. This was the last play of the fourth period. Will the penalty for the foul during the touchdown be administered on the try?

Ruling: No. The penalty is automatically declined and the touchdown counts.

7.B **Play:** On fourth down in overtime play. Team A scores a touchdown. After the score, but before the try, B1 commits an unsportsmanlike foul.

Ruling: The penalty is enforced from the succeeding spot on the try. Non player fouls, non player unsportsmanlike fouls and dead-ball fouls are penalized on the succeeding spot.

7.C **Play:** During the last timed down on the fourth period A1 advances for a touchdown making the score B-22 and A-20. On the try A2 passes complete to A3 in the end zone. Following the try B1 commits an unsportsmanlike foul.

Ruling: The penalty for the foul by B1 after the successful try will be administered from the succeeding spot to begin overtime play.

7.C.1 **Comment:** In this situation the referee should explain to the captains at the time of the coin toss the fact the penalty will be administered on the first series of downs in the overtime. The place from which the ball will be put in play for each team could have an effect on the choice made by the winner of the toss.

7.D **Play:** When the regulation game ends in a tie, the teams use the recommended tie-breaking procedure. Team A wins the toss and elects to take the ball. A1 scores on the third down. After A1 crosses the goal line: (a) A2 clips B1; or (b)

B1 strikes A2. Ruling: Dead-ball fouls in both (a) and (b). The score counts and the penalties in both (a) and (b) are enforced on the try, because that is the succeeding spot.

- 8.A **Play:** On third and 4 in overtime play, Team B recovers a fumble or intercepts a pass.
Ruling: The down ends as soon B1 recovers or intercepts. In both cases the series of downs is ended for Team A.
- 8.B **Play:** On third and 6 in overtime play Team A attempts a field goal. The attempt is not successful and Team B recovers on the 1-yard line.
Ruling: The down ends when B1 recovers. The series is ended for Team A.
- 8.C **Play:** In overtime play with third and goal from B's 4-yard line, B1 interferes during a forward pass.
Ruling: If the penalty is accepted it will be first and goal for Team A on B's 2-yard line.
- 8.D **Play:** In overtime play on second down from the 8-yard line, B1 commits pass interference.
Ruling: First down for Team A on the 4-yard line in the penalty is accepted.
- 8.F **Play:** (a) On second; or (b) fourth down and 9, A1 interferes on an incomplete forward pass.
Ruling: In (a) it is A's ball third down from its 24-yard line. In (b) B will decline the penalty and take the ball on the 10-yard line.
- 8.G **Play:** At the end of the regulation game the score is tied, 7-7. It was previously announced that the recommended tie-breaking procedure would be followed. Immediately after the last down of the fourth period A1 strikes B1. Ruling: A1 will be disqualified and may not participate during the overtime period. The penalty for A1's foul will be administered from the succeeding spot. If Team B is the first to put the ball in play it will be from the 5-yard line. If Team A is the first to put the ball in play it will be from the 25-yard line.
PREFACE: When "11 players" is used in the ruled book it should be understood 11 would be replaced with the number of players participating (six, eight, nine).

NOTE: Applies to nine-player, eight -player and six-player Rule 3 and 8. When one team is 45 or more points ahead at the end of the first half or it it secures such a lead during the second half, the game is ended immediately or state associations may establish guidelines to use a running clock when the point differential is reached.

14. **MANDATORY GAME FILM EXCHANGE PROGRAM. (2007)**

Who: All BVAL Football programs

Why: As more schools have or are anticipating installing lights at their sights, scouting will become problematic. Most teams will be playing games simultaneously, making live scouting nearly impossible. Also it is a fact that film exchange is a common practice at nearly every level of football, nearly everywhere.

How: On the **Thursday the week before** a scheduled league game the **Visiting Coach** will place copies of his **last 2 game films** in his school's front office **by 12:00 noon**. The **home coach** is then responsible for coming to the visitor's school and exchanging copies of **his last 2 games before 3:00 pm**.

Details:

- Films shall be your **high view form the middle of the stands/press box shot** and should be **unedited**. If there is a problem with your own copy of your game film then it is **your responsibility to secure a copy from that game's opponent to exchange**.
- Films may be either VHS or DVD (DVD is recommended) whichever format you have available. Coaches may discuss their preferences with opponents but either format will be deemed acceptable.
- These rules are **minimum guidelines** that must be followed by all schools. Coaches may, through **mutual agreement**, decide to meet elsewhere or at different dates/times to exchange films. **This may only be done if both coaches agree**, otherwise the Thursday at 12:00 and pick up by 3:00 shall be used.
- **Coaches are expected to meet these minimum guidelines without fail. Cooperation, honesty, and integrity are key.** Please be part of the solution, not the problem and meet all your obligations in a timely manner. Communication between coaches is strongly advised and phone numbers shall be exchanged at the pre-season meeting in September.
- This policy and these procedures will be reviewed at our post-season meeting in November at which time they will be modified as necessary. For the 2007 season we should all strive to meet them and give the film exchange program a chance.

15. **ALL LEAGUE AWARDS**

Section 1: Varsity 1st team and 2nd team - 13 offensive players - 13 defensive players.

In addition Varsity will receive 5 special recognition awards: MVP, SR. JR. , Soph, and Freshman of the year. (05/25/00)

Section 2: In an attempt to avoid confusion when selecting All League teams, this section provides a number of formulas in which a division chairperson can follow. It is **required** that all JV-F/S level teams use these formulas and allow Varsity level teams the option to use them. (05/27/10)

- Special awards are limited to 5 and not to be included in the 1st team (these are considered “over and above” the 1st team recognitions.)(MVP, SR, JR of the year are automatically included in 1st team and do not need to be added/listed as such, certificates say “. ...and is a member of the First Team All-league”.
 - However, SOPH or FR of the year if listing any other SOPH or FR on 1st or 2nd team you must first list your SOPH or FR of the year before adding any other freshman or sophomores to either 1st or 2nd team all-league.
- In the case of a tie in the league standings, extra certificates will be provided to equal the exact finish amount (i.e.: if 2 teams tie for 2nd place, both teams will receive the number of all league certificates that the formula states the 2nd place should receive.)
- Honorable mention awards will be pre-printed (with “Honorable Mention”) and be limited to 2 per school, per team (these will not be recorded by the BVAL)
- If you choose to give Co-MVP, Co-SR, etc., you must give up one of your remaining special awards. **You may not give up Coach of the Year or an all-league spot for a Co-spot.**
