AMERICAN SPORT EDUCATION PROGRAM – ASEP and NATIONAL HIGH SCHOOL FEDERATION - NFHS

The CIF State office has said any person who is fingerprinted and asked to provide a school/district with TB verification must complete one of the following courses. Either course below will satisfy the CIF State requirement.

ASEP Training - www.asep.com - take the Coaching Principals Course

OR

NFHS Education - www.nfhslearn.com - take the Coaching Fundamentals Course

To search the National Registry and see if a coach/volunteer has met this requirement:

ASEP -

- go to www.asep.com web site
- click on National Coaching Registry
- click on find a coach then type in the coaches name and city

NFHS -

- go to www.nfhslearn.com
- click on Coach Search then type in the coaches name or certification #

If their name does not appear they have not passed/taken the test. Therefore, according to Roger Blake, CIF state office "...if you can not find the coach on the registry, then they did not take/submit their test. They must take the course all over again".
