Willow Glen HS is proud to announce the 2010 CCS Cross Country Honor Coach, Victor Santa Maria. Victor has been the Boys and Girls Cross Country coach for ten years. In those ten years, Victor has had numerous league titles as well as CCS champions. Victor sets high standards for his students as well as for his runners. He doesn't just prepare these athletes for every contest, he prepares them for life's challenges and obstacles. He is a mentor and a great role model for all the athletes at WGHS. Victor was voted this prestigious award by his fellow cross country coaches.

Victor is a 1985 graduate of WGHS. He ran track and cross country. He was part of a team that won several league championships as well as a state title. Victor went on the run at UCLA where he was the captain of the cross country team.

Victor spends endless hours with his runners. Following a day of teaching social studies then cross country practice, Victor has his own homework center. Victor encourages peer tutoring for his team. This is truly a team effort.

WGHS is so very proud of Victor's accomplishments.
